FT. FISHER AIR FORCE RECREATION AREA
KURE BEACH**

**FINE ARTS PLAZA RULES AND REGULATIONS
(OCTOBER 10TH & 11TH)**

- **FESTIVAL HOURS** are Saturday 11am until 10:00 pm; Sunday 11am until 6pm. You may begin to set up on Friday. Someone will be on site UNTIL 7:00pm. Saturday morning we will be on site at 7:00 am. If you are unsure where to set up, please wait. **You must be set up and have your vehicle out of the Festival area by 10:00 am. This rule is not negotiable.** There will be **NO PARKING** inside the Festival area during open hours. All parking, other than designated set up and take down times will be in the large grassy areas just outside the main gate, and golf cart shuttles will be available if you are unable to walk the distance to the art show building.
Note: The Fine Arts Plaza will be closed to the public at 7:30pm on Saturday. All exhibitors must be out of the building by 8:00 pm.
- **SHOW ACCOMODATIONS** – Each space both inside the building and on the screened porch will be labeled with your number. If you have questions regarding your space, someone will be onsite to help you before you begin setting up your display equipment. Bring your own display units, table, chair, auxiliary lighting, electrical extension cords, etc. if you need them as no furnishings or display equipment will be provided. Electrical outlets are available at intervals along the inside walls. **Please remember to bring sufficient cash to make change for your sales, as there will be no facilities at the festival to obtain change and no banks or stores are nearby.**
- **SECURITY** – The Fine Arts Plaza building will be secured at all hours when the Festival is not open. The doors to the screened porch will be latched; however, artists exhibiting on the porch may, at their discretion, store items inside the building overnight as long as they are removed prior to show opening the next morning. Although the Festival area is very secluded and has an impeccable safety record, the Ft. Fisher Air Force Recreation Area, Pleasure Island Chamber of Commerce, and Seafood, Blues and Jazz Festival do not assume any responsibility and/or liability for damage to or loss of equipment or artwork.
- **TAKE DOWN** – You may begin dismantling your exhibit at 6:00 pm on Sunday. As a courtesy to the Festival staff, please do not unnecessarily delay; clear your space as efficiently as you can. Vehicles may be brought to the adjacent parking area for loading at this time. **Note: Your vehicle will not be allowed in the Festival area until after 6:30 pm on Sunday. This rule is to help control the traffic and ensure the safety of the Festival Participants.**
- **No refunds will be given due to inclement weather.**
- **No pets allowed.**
